Tiwi Land Council Terms & Conditions: "It is estimated the approval of any application will require some 21 days to obtain the necessary traditional owner's approval. Permits will not be submitted for approval until all information required is received. Permits will be sent to your mailing address and must be carried at all times when hunting on the Tiwi Islands. All permits expire on 31st January each year. Hunting permits are to be limited to 3 of the 8 homeland areas shown in the attached map and permit holders can hunt only in the area nominated on their permit. Hunting permits are not available to non-residents of the Tiwi Islands through this process. However, non-residents should apply in writing direct to the Tiwi Land Council. Details will be sent with your permit, and will also be on the Tiwi Land Council website – www.tiwilandcouncil.com"
